

WHY OFFICIATE?

» **JOIN THE TEAM** – Stay actively involved in the game and enjoy great camaraderie. The officiating community is the third team on the field. Develop friendships and connections with others committed to the game.

» **GIVE BACK TO THE GAME** - Share your knowledge to help the game grow responsibly. Officials are important ambassadors for the sport. You will develop your knowledge and perspective of the game and can make a difference in its future.

» **STAY FIT** - Exercise while having fun and traveling to weekend tournaments. Officiating schedules are flexible; many games and times are offered and you can work as many as your schedule permits.

» **LEARN A NEW SPORT** - If you've officiated other sports, you can easily transfer those experiences to America's fastest-growing team sport. There are a world of opportunities to grow and develop as a lacrosse official.

» **EARN A FEW DOLLARS** – Officiating also allows you to supplement your income with a few extra dollars. Officials at all levels of competition are paid for working games.
